Here is a great volunteer opportunity for ISU students or ISU student clubs & organizations at the Children's Discovery Museum. This is a fun way to explore the museum while giving back and helping with fundraising and event activities. If eligible you can log civic engagement and or clinical experience hours.

Come out and support the fourth annual *PLAYLA*, a fundraising event allowing adults to experience the power of play, funds raised will benefit museum programming. *PLAYLA* includes food, drinks, and engaging activities for adults to enjoy at the Children's Discovery Museum in uptown Normal.

Interested volunteers should use the following sign-up link to confirm a time slot and fun volunteer activity station.  
**Volunteer Uniform** – White Shirt, Jeans or Capris, CDM Orange Volunteer apron. All volunteers will participate in a brief training with museum staff to better understand the event and volunteer expectations. The museum staff will follow up with registered volunteers about details.
